The BTA Board of Directors met on Sep 9 and Nov 18, 2002 at the Public Library. The meeting highlights are:

- Discussed the need for two new board members due. Open positions include treasurer and publicity coordinator.
- Details for annual dinner are pending responses from John Hensley who could not attend the meeting in November.
- Two workdays were organized to fix up the courts at Johnstone and Sooner. Neither was well attended probably due to lack of publicity.
- A contest for a new BTA logo will held to update image. Prizes include T-shirts with the new logo.

Fall Doubles League reached a conclusion on October 17 after seven weeks of excellent play. We had 20 regulars on the roster and a large contingent of capable substitutes. Steve Byrd lived up to expectations by never losing a set! We had some new folks join the ranks this time around and think the season went as smoothly as I could have hoped. Most importantly, think that fun was had by all and can't wait to get the League cranked up again!
Until the Spring... Jon Lynch

BTA Logo Contest

We need to develop a BTA logo for a t-shirt and, possibly, also a cap. These will help spread the word of our existence and purpose. They would also give us ready made awards. Would like to hear from you all on this. Tom Flowers suggested a design contest with the winner being awarded a free shirt. Please send your ideas to one of the board members.

Winter Playing Opportunities

The mixed-doubles play will continue but not on a regularly scheduled basis. If weather permits and we have enough players we will play. If we experience some good weather playing opportunities Tom Flowers is willing to organize a mixer type event(s). The frequency will depend both the weather and the willingness of the participants. So... if you are interested contact Tom Flowers at 336-3304. For inside a day-time playing at the Boys Club gymnasium contact Ted Lowe 333-2101.
