Johnstone courts are now open for play, ribbon cutting ceremony

The new Johnstone courts are now open according to Terry Lauritsen, Engineering Director for the City of Bartlesville. The contractor has installed the new surface and nets. There are still some loose ends to take care of (wind screen, new alarms for the lights and some touch up and restoration type items) which should be completed in the next couple weeks.

A special thanks to Mike Dronyk, Bill McCarthy, Julie Daniels and the city council, the BTA board and all those who worked very hard to get the Johnstone courts redone.

You are invited to attend the re-dedication ceremony for the new Johnstone Tennis Courts to be held on Saturday, May 3rd, 9:00 AM at the Johnstone Tennis Courts (North and behind the WMCA off of Osage). The Bartlesville Tennis Association will be providing coffee, juice and donuts during and following the ribbon cutting.

Julie Daniels will cut the ceremonial ribbon, representing the city. Emily Call with the Bartlesville Regional Chamber of Commerce will kindly be providing the ceremonial ribbon and scissors for the event.

Marty Puckett (President of the B.T.A.) will be the master of ceremonies and following the event the B.T.A. will begin playing on the courts, as this will also be our spring social opening play for the tennis season.
